

Michal, Naomi and Armonit -

I just want to thank all of you for your help and guidance during our divorce process. I am very happy that we found the Collaborative Divorce group, and I think that the three of you together, were a very good team.

Besides the time that you each spent with me and XXX .I know that you spent a lot of time working with each other, in order to help us reach an agreement that met both my needs as well as XXX's. This was definitely teamwork at its best, and I believe that this is an important part of the collaborative divorce process. I think this was done with a lot of creativity and dedication, and I'm sure that it will help my relationship with XXX in the future, and the relationship of our family and friends with both of us.

Regards and Shabbat Shalom,
YYY
